## The Twins

### Chapter 1 by 🔍 Sophie 🔍

Today was my first day of 8th grade. I was used to going to different schools every year, since my dad is in the navy. And my mom... don't have one. I'm usually home by myself with my dog "Saucy", my cat "Loopsy" and my two birds, "Lola" and "Tootz" ( and yes I know its a dumb name but I named it when I was five ).

As I got onto the bus, I noticed a pair of twins that looked exactly alike, but not in a good way. Both had mascara running down their face, both wore a black tutu with a black top that was ripped everywhere, both had chain-like necklaces, and I'm pretty sure I saw blood around their mouth.

I was pretty surprised no one beat me into the window yet...but I was surprised when a BOY sat next to me.

"Hi! are you new here? I'm Sam. I don't think I've seen you here before." I was nervous. No one has EVER talked to me on a bus...or talked to me in general. We started a conversation about our families, but as we did I saw those creepy twins staring at me. I finally made eye contact with them but that was not a good idea

Everything went black.
